[Redacted] from the General Counsel's office says his boss wants General Counsel Office membership on the Safety Committee to be included in the Charter. They recommend the addition on the attached in red ink.

It seems to me this is a great deal of trouble considering the signatures involved for such a minor modification. Why don't you see if you can work out a compromise.

Per discussion with Jerry, OGC no need to redo Charter. Jerry understands he is on call and we will use his services when required.
